

Gloria Dei Time & Talent Sheet

2016/2017

Name:

I prefer to be contacted by Phone Email
Home Phone #

Email Address:

Cell #

Each family member is encouraged to complete a separate sheet. This form has been updated this year and has several new items to review. Please read carefully!

Listed below are ministry activities that need the gift of individual member's time and abilities to lead or to serve. Please prayerfully consider your willingness to participate, check as many activities as apply to you, and return this form to church by October 16. Your responses will be tallied and given to the appropriate person(s).

If you currently participate in an activity and intend to continue, please check the box to indicate your continued interest. If there are areas in which you would like to become involved that are not listed, please write them in. Thank you for taking time to be an active part of our church body. Many people sharing time and talent means fewer demands on some and evens out the opportunity to participate, as well as providing wonderful possibilities to make new friends.
